

# NORTH SEA REGION ANNUAL MEETING

FREDRIKSTAD, NORWAY

JUNE 2018

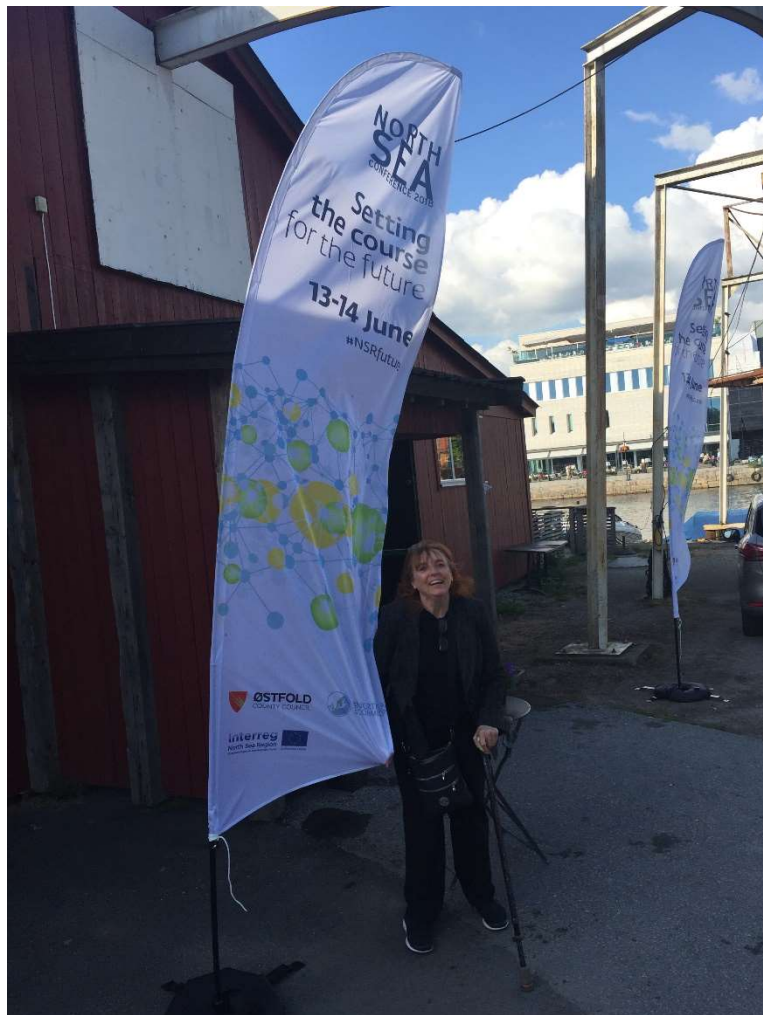

Create Converge was represented by Project Leader, Dundee City Council/Digital Dundee/TayScreen.

The event included the announcement at the official dinner of the winners of the video competition for which CC had submitted an entry. We congratulate the winning entry, in particular for their use of stop-frame animation to convey the message and impacts of a project about water.

In addition to a wonderful evening, guests were treated to the sight of amazing (and huge) pleasure cruisers eading along the river outside the Boat House venue.

It was a much appreciated opportunity to catch up with old friends and make new ones – not least of all the chance to have a catch up with North Sea Region CEO, Christian Byrith.

The conference the next day gave great food for thought for work and projects for collaboration. And the opportunity was duly taken to distribute Create Converge postcards to all the delegate tables and even to some of the speakers.
