

Sullied Sediments - External Events and Presentations

Start	End	Partner	Presenter(s) / Contact	Event	Outreach Activity	Location	Focus / Presentation Title
02/09/17	02/09/17	University of Hull	Samantha Richardson	Freedom Festival	Public outreach event	Hull	Trial of the paper analytic device
12/06/17	12/06/17	University of Hull	Jeanette Rotchell	Waterways Partnership Joint Forum	Stakeholder meeting	Driffield	Sullied Sediments: Sediment Assessment and Clean Up Pilots in Inland Waterways in the North Sea Region
14/06/17	14/06/17	OVAM	Goedele Vanacker	SedNet Conference	Conference	Genoa	Remediation of urban waterways in Flanders - the 'WHY' - blue-green networks - Eeklo example
27/09/17	27/09/17	University of Hull	Jeanette Rotchell	Waterways Partnership Conference - Catchment-Level Partnership Working at its Best	Conference / dissemination event	Hull	Sullied Sediments Project Update
27/09/17	27/09/17	University of Hull	Aimilia Meichanetzoglou, Samantha Richardson, Wayne Duffus	Waterways Partnership Conference - Catchment-Level Partnership Working at its Best	Conference / dissemination event	Hull	Demonstrations relating to PhD student work on WP3-5
23/11/17	23/11/17	University of Hull / Waterways Partnership	Jeanette Rotchell and Annabel Hanson	Pocklington Canal Liaison Group meeting	Stakeholder meeting	York	Sullied Sediments: Sediment Assessment and Clean Up Pilots in Inland Waterways in the North Sea Region
24/01/18	24/01/18	Socotec UK	Paul Walker	Soil Consultants Ltd meeting	Client presentation	High Wycombe	General
21/02/18	21/02/18	Socotec UK	Paul Walker	Dredging Liaison Group meeting (Part of the Thames Estuary Partnership)	Presentation	London	Marine sediment analysis
03/03/18	03/03/18	University of Hull	Samantha Richardson	RSC Twitter Poster Conference	Online event	Online	Detection of phosphates, by the lay person, for environmental analysis of river water using a paper-based device
03/03/18	03/03/18	University of Hull	Aimilia Meichanetzoglou	RSC Twitter Poster Conference	Online event	Online	Sporopollenin: applications for diclofenac adsorption
07/03/18	07/03/18	OVAM / HAW Hamburg	Goedele Vanacker and Susanne Heise	SedNet Workshop on Risk Assessment and Risk Management	Working group meeting	TBC	Working group on risk assessment and risk management
13/05/18	17/05/18	HAW Hamburg	Sonja Faetsch	SETAC Europe 28th Annual Meeting	Conference	Rome	Comparing conventional and integrative concepts for sediment classification systems

Sullied Sediments - External Events and Presentations

Start	End	Partner	Presenter(s) / Contact	Event	Outreach Activity	Location	Focus / Presentation Title
13/05/18	17/05/18	University of Antwerp	Hanne Hetjens	SETAC Europe 28th Annual Meeting	Conference	Rome	Assessing the bioavailability of metals in natural sediments by DGT passive sampling and bioaccumulation
12/06/18	12/06/18	University of Antwerp	Hanne Hetjens	University of Antwerp Biology Research Day	Student conference	Antwerp	Sullied Sediments: Sediment Assessment and Clean Up Pilots in Inland Waterways in the North Sea Region - Work Package 3: Sediment Assessment
19/06/18	19/06/18	University of Hull / Waterways Partnership	Jeanette Rotchell and Annabel Hanson	Yorkshire Derwent Catchment Partnership Steering Group Meeting	Stakeholder meeting	York	Sullied Sediments: Sediment Assessment and Clean Up Pilots in Inland Waterways in the North Sea Region
27/06/18	27/06/18	University of Hull	Samantha Richardson	Workshop on Pathogen Point-of-Care Analysis	Symposium	Hull	Paper-based devices in environmental analysis
12/09/18	12/09/18	University of Hull	Aimilia Meichanetzoglou, Samantha Richardson, Nicole Pamme, Annabel Hanson	British Science Festival	Public outreach event	Hull	Demonstrations relating to PhD student work on WP3-5
15/09/18	16/09/18	University of Hull	Aimilia Meichanetzoglou, Samantha Richardson, Nicole Pamme, Annabel Hanson	Hull Science Festival	Public outreach event	Hull	Demonstrations relating to PhD student work on WP3-5
24/09/18	24/09/18	OVAM	Anissa Smith	SedNet Contaminated Sediment Workshop / Waterbodemdag	Professional workshop	Mechelen	Presentation on the OVAM-led decision support system for sediment remediation techniques
06/11/18	06/11/18	SedNet/OVAM	Goedele Vanacker	Sediments and Circular Economy - 1st Workshop of SedNet working group on this subject	Professional workshop	Hamburg	The Causal Loops Approach and Sediment Re-use
07/11/18	09/11/18	University of Hull	Jeanette Rotchell	UK-Japan Annual Scientific Workshop on Endocrine Disrupting Chemicals	Professional workshop	Cambridge, UK	Presentation on the project
