

“A second life for your  
coffeecup”

We deliver

We collect

We recycle

# A circular system!

**STEP 1**

**STEP 2**

**STEP 3**

**STEP 4**

**STEP 5**

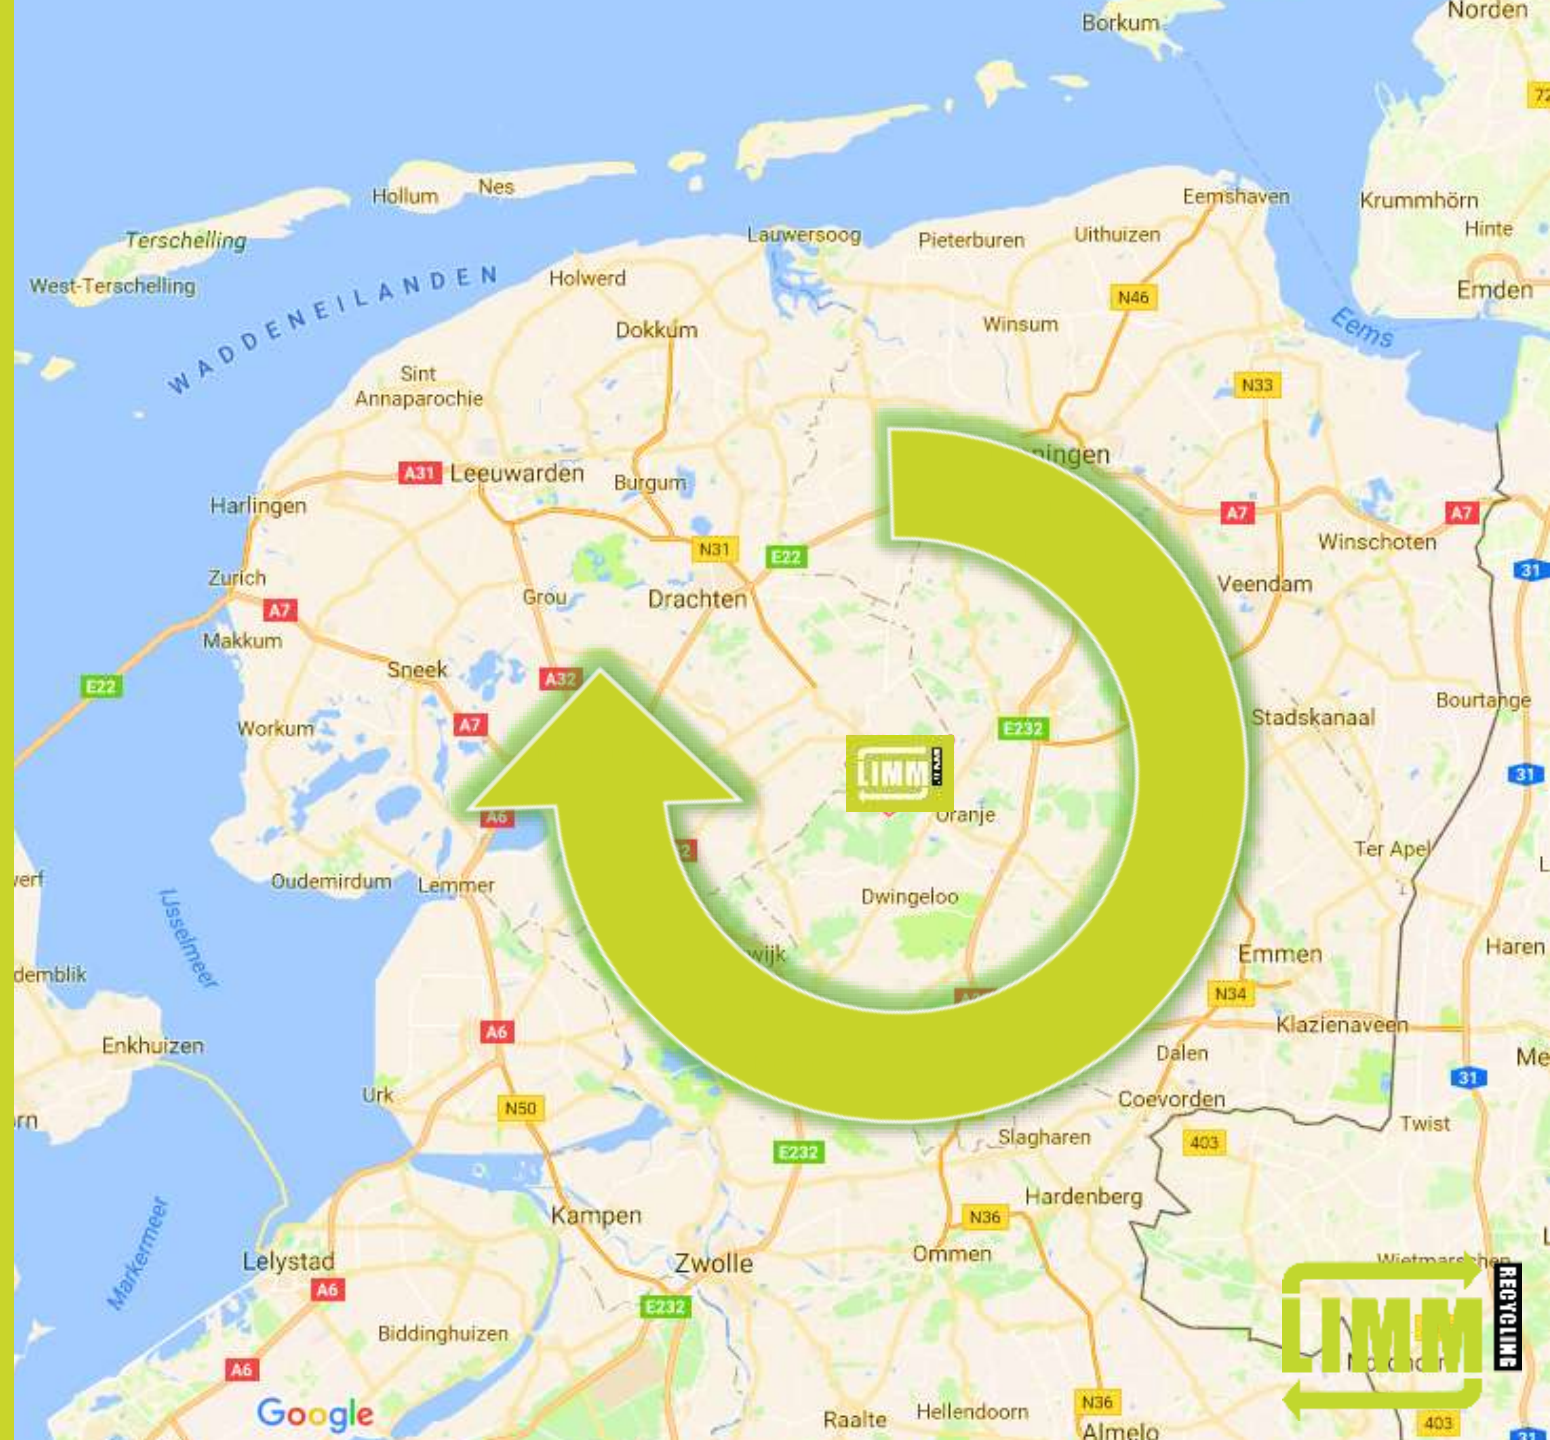

# A sustainable business = Investing in your own region

- Social return on investment (SROI)
- Work regional / national
- Be a client of your own client

# LIMM & BIOCAS

## From fossil towards CO2 neutral

### Partners in BIOCAS:

- NHL Stenden
- Van Hall Larenstein
- CELF
- House of Design
- Worldperfect

[www.limmrecycling.nl](http://www.limmrecycling.nl)

# LIMM & BIOBASED POLYMERS

- PHBV made from sugar, food approved
- PHA made from sewage sludge, in the future?

# Thank you for your time!

Duurzaam ondernemen
