Great to be part of this group and attend the very wet opening of the wetlands. Perfect weather to demonstrate the need for this! Well done to everyone who made this happen. I also saw the last of the fence being taken down at the wetlands by the contractors on Monday 😊 let's hope people clean up litter after themselves and take pride in the park.

Great Nordic Walking in Broomfield Park this morning...

Lovely new wetlands...

I love the flowers too!!

Silverfit Charity run the Nordic walking class, and other classes.

First class is free... Come and try.

Meeting at Cyril Smith Court, opposite the library, Broomfield Lane... At 11:15 every Friday... Drop in and pay as you go... 😊

Good turn out for the opening of the wetlands, despite the weather. Some brave souls even opted for the tour while the rest of us huddled under the gazebo learning about the important work that Thames 21 is doing to clean up our local rivers.

**Daniel Anderson** is with Anne Brown and Graham Campbell at Broomfield Park North London.

14 August - London

Photos from the official opening this morning of the Broomfield Park wetlands in my ward of Southgate Green. This fantastic project, which will benefit biodiversity, improve water quality, address flood risk and provide a new amenity for the local community to engage with was only made possible through the help and support of the Coca Cola Foundation, The Rivers Trust, Thames21, Friends of the Park, and officers from the Council's watercourses team.
