

Connecting the Offshore Wind supply chain across the North Sea

Inn2POWER is a consortium of leading offshore wind clusters across Belgium, Denmark, Germany, the Netherlands and the UK.

The programme is driving supply chain collaboration and helping businesses to enter new international markets.

3 WAYS WE CAN SUPPORT YOUR BUSINESS

1

Join over 2,000 supply chain companies already listed on the Inn2POWER Directory and claim your FREE listing now.

Find new customers, suppliers and partners by promoting your business and searching the European offshore wind supplier database - inn2power.eu/mapping

2

Get tailored advice on supply chain partners across Europe with introductions that can help grow your business.

Our cluster organisations work together seamlessly behind the scenes to help connect your company to new supply chain opportunities across the North Sea region.

3

We deliver international networking events, facilitating one-to-one supply chain introductions, with 1,000s of participants attending more than twelve events to date.

Attend an upcoming Inn2POWER supported event to develop new supply chain relationships and business opportunities.
