# 1.000.000 trips in 2019

Bergen bike sharing scheme had its first all year of operation in 2019, the goal was 400.000 trips but it ended with nearly one million trips. So the scheme has by far been a huge success.

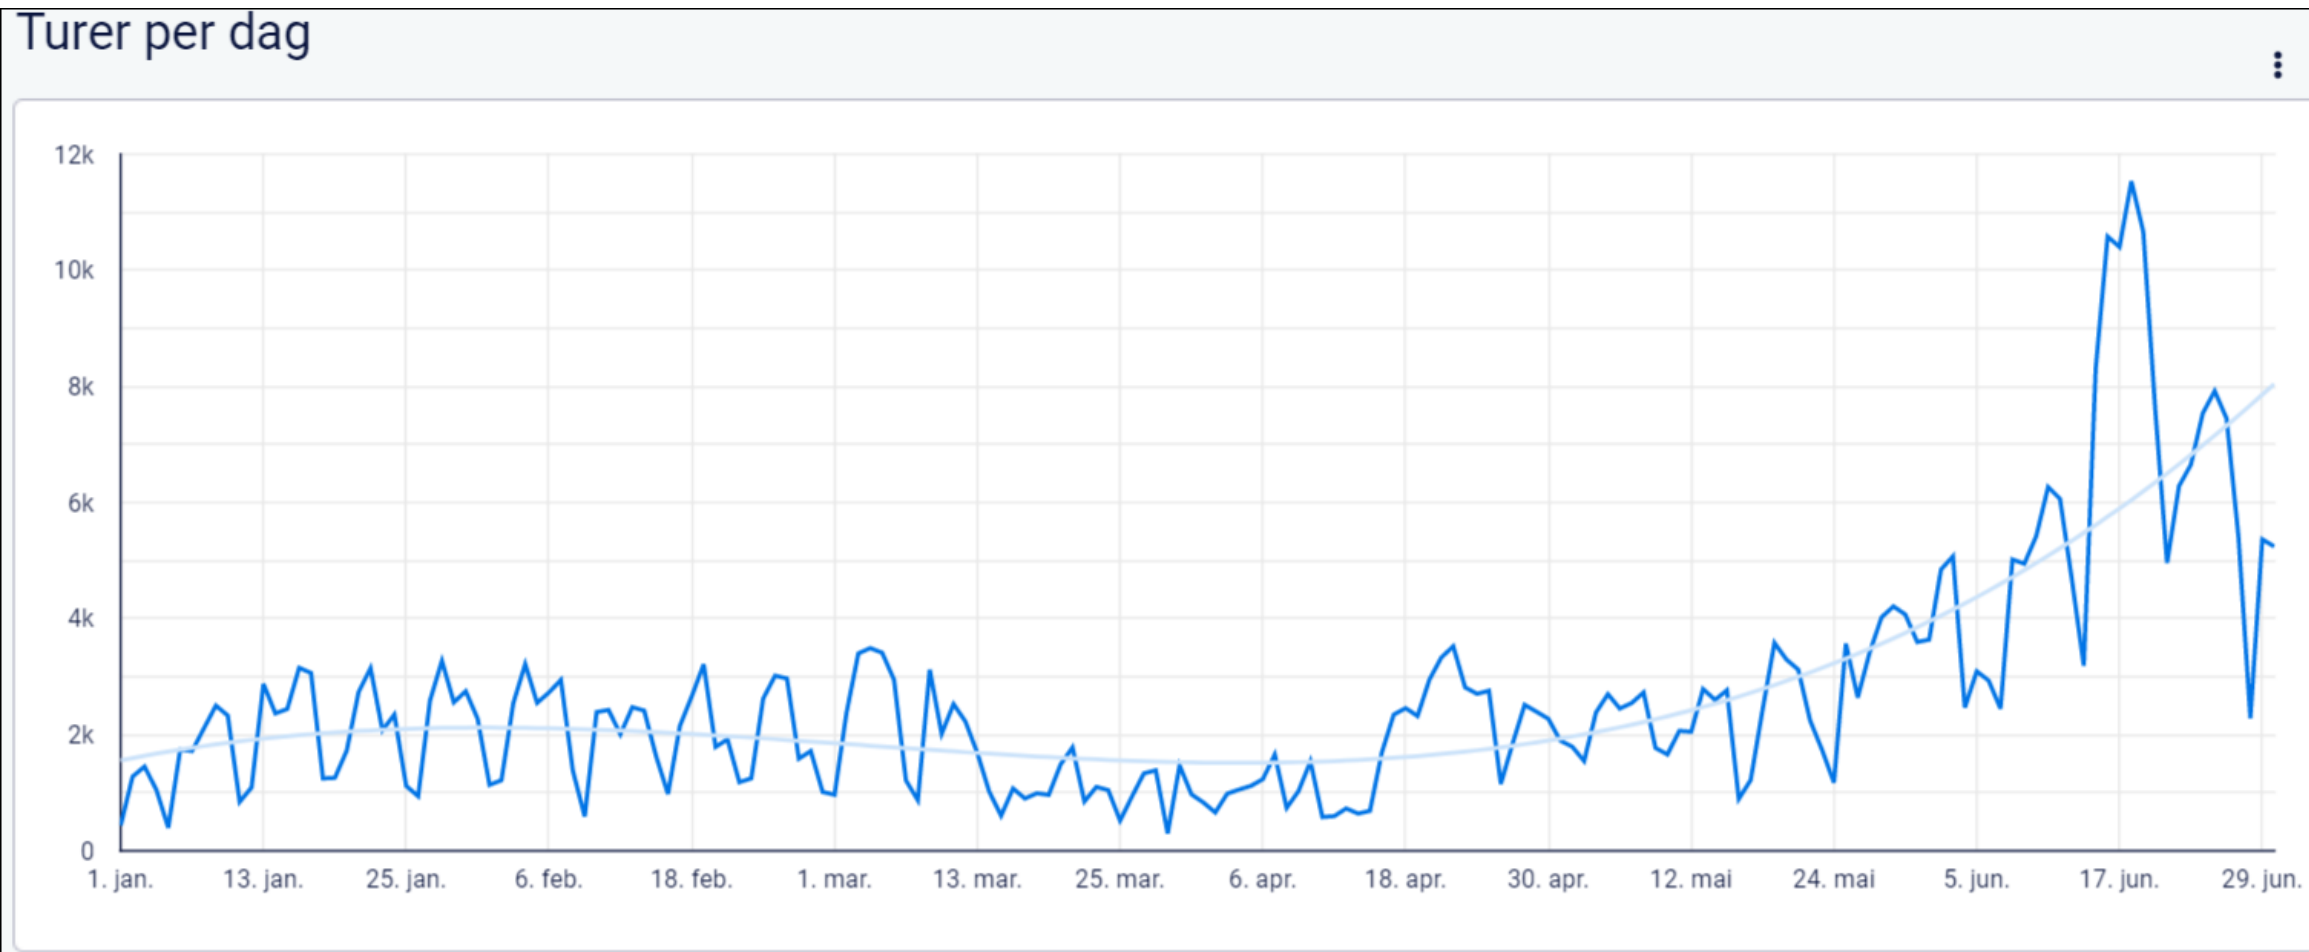

Governing Mayor Roger Valhammer is a frequent user of the scheme. All year system. Bikesharing = joy and happiness!

# Lockdown mars 2020 – Covid-19

The city bike scheme saw a decline in use at the end of March and in May due to covid-19 restrictions, after a very good winter season.

The free trial week was therefore moved from May to June.

When society reopened and there were restrictions on public transport, the use of city bikes increased again.

# E-scooter launch in Bergen in June 2020

A private company (RYDE) opened up for rental of e-scooters at the end of June 2020, with nearly 500 scooters, without any agreement with the city authorities.

It will be interesting to see how this will affect the use of bike sharing. The scooters are popular and will probably take over some trips from bike sharing.
