

## Project Explanation

The town of Rinteln is participating in the three-year project "Stronger Combined" of Interreg North Sea Region.

Eight European countries are participating in this project. The aim is to improve mobility in rural areas and create alternatives to the private car.

Within this framework, the town of Rinteln is offering a free practice course in bus travel over a period of six months as a pilot project.

## Our Services

From **01.09.2020** the training programme for bus driving in the town of Rinteln will start.

After the joint selection of the bus connections, we will pick **you** up from the front door upon request.

We will then accompany **you** to the bus stop and take the bus to your destination.

After taking care of your affairs, we will accompany you back to your front door if you wish.

The bus driving exercise is free of charge and can be taken up to three times per passenger, **you** only pay your own fare.

We would like to take away your concerns before the bus ride.
