## COMMUNICATIONS UPDATE

**Annabel Hanson, Sullied Sediments Project Coordinator  
East Riding of Yorkshire Council / Waterways Partnership**

**3<sup>rd</sup> Annual Partner Meeting  
14 January 2020, Antwerp, Belgium**

[www.northsearegion.eu/sullied-sediments](http://www.northsearegion.eu/sullied-sediments)

# LOOKING AHEAD

## Dissemination Events 2020

- WP5 – Volunteer Sampling Workshop, 13 January 2020, Ghent, Belgium
- WP3 – OMEGA Workshop, 15 January 2020, Antwerp, Belgium
- Further roll-out of VWP5 volunteer programme
- Discuss VWP specific events tomorrow morning
- Continued dissemination through academic conferences, outreach events, etc. (e.g. SETAC 2020, North Sea Conference)

## Project Communications

- Newsletter, at least 2 more editions (portraits of each catchment, more partner profiles, reflecting on challenges and how we have overcome them)
- Standardised report template (currently in development)
- Project video (to communicate the impact of the project)
- NSR Photography Competition (spring 2020)

Your ideas and contributions are always welcome.
